

Dear Friend,

The Forsyth Tritons Water Polo club is now in our third season and still growing! Open to boys and girls in grades 6-12 in Forsyth County, our team is focused on developing new players, teaching the principles of the game, and competing to win in the GHSWPA league. Lots of exciting things are happening with the club and we would love for you to be a part of it! For more information about our teams, visit our website at <https://forsythpolo.com/>.

We are in search of sponsorships to help cover the costs of things like new equipment, pool usage, and participation scholarships for players with financial need. By sponsoring the team, you will be supporting the community with donations that are tax deductible. We practice at the Cumming Aquatic Center and play in games and tournaments against teams from Cherokee, Cobb, Dekalb, Fulton, Gwinnett and other north Georgia counties, which means great exposure for your business! All proceeds go directly to the team to support the growth of the sport within our community.

Please see the enclosed sponsorship information and let us know if you have any questions. We appreciate your consideration and support.

Sincerely,

Danice Eaton
President
Forsyth Water Polo Parent Board
